AGGRAVATED CASE OF ECZEMA

Troubled Badly for Several Years
With Eczema on Limbs and
Wrists—Physicians Prescribe
Without Any Benefit—Blotches
Now All Gone.

ANOTHER WONDERFUL CURE BY CUTICURA

"For several years I was troubled
badly with an eczema on my limbs
and wrists. Physicians in several towns
had prescribed for me without giving
me any results. I had often used
Cuticura Ointment and received relief
temporarily. In the spring of 1904 I took
the Cuticura Resolvent Pills and used the
Cuticura Ointment for about five weeks,
and at the end of that time there was not
a blotch on me anywhere. This spring I
took a few vials of the Cuticura Resolvent
Pills as a precautionary measure, and
will continue to do so every spring simply
as a spring tonic, as they are so easy
to carry with you, and they certainly
fix your blood for the ensuing year.
I now use only Cuticura Soap."

"The Cuticura Ointment and Pills
certainly cured me of an aggravated
case of eczema, and if it will help any
other sufferer you are at liberty to use
this letter. Respectfully, St. Clair Mc-
Vicar, San Antonio, Texas, July 6, 1905."

Cream Vermifuge when the doctor
